Dear Mrs. Hall.

In answer to a card received from you
some time ago, am sorry to say I did
not write you before, as a brother
would to a sister, but I had been
the card away and could not find
it till a few days ago. I hope
you are enjoying the best of health
and that life is very sweet to you
since I had from you, and must
say I was sorry to know that
you perhaps could not have arranged
to come here this summer and spent
a few months on the lakes, away
from the city life for awhile
we had quite a few here from
U.S.A. some of them stayed all
summer, was here for the fishing
